	“Sumner” through “Vanc”. . . . .	38
	“WF West through “Wood”. . . . .	39

## *The Washington Scholars Program*

The 1981 Legislature enacted the Washington Scholars program to honor the accomplishments of three high school seniors from each of the state's 49 legislative districts. The Higher Education Coordinating Board administers the program, in cooperation with the Washington Association of Secondary School Principals.

High school principals nominate the top one percent of their graduating senior class on the basis of academic achievement, leadership, and community service. A 24-member selection committee, comprised of representatives from public and private high schools, state educational agencies, and public and private four-year colleges and universities, then winnows the list. The three highest-scoring candidates in each legislative district are named Washington Scholars and the fourth-ranked candidate is designated the Washington Scholar Alternate.

Washington Scholars receive state grants equivalent to up to 12 quarters or eight semesters of undergraduate resident tuition that can be used at any Washington public or independent college and university, subject to appropriations and authorization by the Legislature. Continuation of the grant after the first three academic quarters or two semesters of study is based on the Scholar maintaining a 3.30 minimum cumulative grade point average. In addition, grants to Scholars who choose to attend a Washington independent college or university are contingent upon the school matching the state grant dollar-for-dollar with institutional gift aid or tuition waiver.

Washington Scholars must confirm their intent to enroll at a Washington public or independent college or university, and activate the grant benefit, by the fall term immediately following high school graduation. In exceptional mitigating circumstances, they can apply to the Higher Education Coordinating Board for a waiver of the enrollment requirement. Washington Scholars who fail to maintain continuous enrollment for the entire freshman year, or who do not qualify for the enrollment waiver, will forfeit the remainder of their grant benefits to the Washington Scholar Alternates in their legislative districts. Washington Scholar Alternates may receive grant benefits only if the original Washington Scholars in their legislative districts forfeit **within one year of the award**.

This directory lists the 147 Washington Scholars and 49 Washington Scholar Alternates of 2009, including their hometowns, high schools, intended fields of study, and legislative districts.

## *Washington Scholar-Alternates of 2009*

In 1999, the Legislature modified the Washington Scholars program to allow for the selection of one alternate from each legislative district, in addition to the Washington Scholars. Washington Scholar Alternates become eligible for the grant only if one of the three Scholars in the same legislative district forfeits the award within one year.

Name	Leg. Dist.	Name	Leg. Dist.	Name	Leg. Dist.
