# Talking points

## It's still a really good deal

\* For illustration purposes, chart assumes an average annual tuition increase of 7% after the 14% increase of 2010-11. Actual increases may be more or less, but 7% has been the average over the past 10 years. Units must be held for at least two years. GET unit values are based on resident undergraduate tuition and fees at UW or WSU.

# Talking points

- It's guaranteed
- It's flexible
- You can use it anywhere
